

The Director Central Intelligence

Washington, D.C. 20505

5 September 1984

Dear

25X1

Enclosed find the new material churned out by those in this government responsible for combatting narcotics. I was happy to see you in Easthampton and was glad to learn more about your work.

If I can be of any help to you or if there is something I should know, please get in touch.

Best regards to

25X1

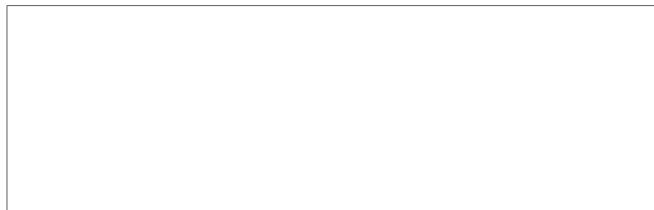

Yours,

William J. Casey
